TOWN WARRANT

THE STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town of Belmont in the County of Belknap, in said State, qualified to vote in Town affairs.

[L. S.]

You are hereby notified to meet at Hall's hall in said Belmont, on Tuesday, the thirteenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects :

1. To choose all necessary town officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation for the same.

3. To choose one Selectman for three years.

To choose one Trustee of Trust Funds for three years.

To choose one Trustee of Public Library for three years.

To bring in your ballots upon the question as to whether the amendment proposed by the Convention to revise the Constitution shall be approved.

4. To see how much money the town will vote to raise and appropriate for the building and repairs of highways and bridges for the ensuing year.

5. To see how much money the town will vote to raise and appropriate for the maintenance of its Public Library for the ensuing year.

6. To see if the town will vote to raise and appropriate a sum of money for Memorial Day and if so, how much.

7. To see what the town will vote to do with its Parsonage Fund.

8. To see how much money the town will vote to raise and appropriate for lighting its streets for the ensuing year.

9. To see if the town will vote to appropriate a sum of money for the observance of Old Home Week.

10. To see if the town will vote to avail itself of the provisions of the law passed at the 1905 session of the Legislature entitled, "An act to provide State Aid and for expenditures of money in the permanent improvement of main highways throughout the state," and if so to see how much money the town will vote to appropriate for said purpose.

11. To see if the town will vote to authorize the Selectmen to distribute the blank inventories at the time they examine the property to be taxed.

12. To see if the town will vote to raise and appropriate a sum of money for Band Concerts during the summer months.

13. To see if the town will vote to allow a discount on all taxes paid on or before July 1st, 1923, and if so how much.

14. To see if the town will raise a sum of money for Mosquito Bridge debt, and if so how much.

15. To see if the town will vote to raise and appropriate a sum of money to be used for the maintenance of Hospital Aid Station and if so how much.

16. To hear the report of the committee on land and building for town purposes and to see if the town will vote to raise money to buy or take land and building, according to law suitable for town purposes and place for records and if so how much.

17. To see if the town will vote to sell the building now used as library and hose house for the sum of——.

18. To see if the town will vote to raise and appropriate a sum of money to increase its water supply.

19. To see if the town will vote to raise and appropriate a sum of money for the Laconia Hospital Association and if so how much.

20. To see if the town will vote to discontinue the New Road to Gilmanton.

21. To see if the town will raise a sum of money to co-operate with State and Federal Government in the control of White Pine Blister Rust.

22. To see if the town will vote to discontinue the back road so called, known as the Shepard Road, from meeting house hill to the road leading to the farm known as the Shepard farm.

23. To get the sense of the town in regard to laying out a road from Willard bridge to the Randlett farm.

Given under our hand and seal, this twenty-fourth day of February, in the year of our Lord 1923.

SCHOOL BOARD REPORT.

To the Votes of Belmont:

Another year brings us to the point where we, as your servants, report the work of the past year. During the year 1921-22, schools were maintained in all the districts except Jamestown, but in some cases with a small attendance. At the beginning of the present year, owing to lack of scholars, the school at Ladd Hill was closed and the teacher, Mrs. Rickert, transferred to the Union District. This school is quite small.

The interior of the Gale building was retinted and some minor repairs done. Repairs were also made at Province Road. The severe weather and deep snows this winter have made attendance irregular and much time has been lost, especially in the rural districts. We somewhat doubt the wisdom of trying to keep these schools open against the forces of nature. Transportation this year as last is a growing problem, with growing costs. Fuel costs have been high and fuel hard to get. The nutrition class for underweight children, conducted last year by Miss Ballard, was a success, and much good resulted.

We wish it might be continued. Hot noon-day lunch has come to be a fixed part of school work and cannot be too highly commended.

Report of the Superintendent of Schools.

To the School Board and Citizens of Belmont:

I herewith submit my eighth annual report as Superintendent of Schools. A report of this kind affords the opportunity of recording a few of the larger interests in connection with our schools and their operation and furnishes a means of presenting such recommendations as seem desirable.

For certain statistics covering the year ending June 30, 1922, I refer you to the statistical table printed on another page. Information may be here found as to teachers, salaries, enrollment, weeks of school, and attendance. On another page may be found the names of those children who deserve commendation for their records in attendance during that school year. A summary shows a total enrollment of 219 different pupils during the year: 119 boys and 100 girls. The average membership was 182. The per cent of attendance was 93.

During the school year ending last June there were nine schools open. The decrease in school population at Ladd Hill has made it possible to combine this school with the Union school. This year we have but eight schools open. The total registration at present is 178, not materially different from last year at this time. The attendance up to the coming of the severe weather was good. Of course, the exceptional storms, impassable roads at times, and the severe cold weather have affected seriously the schools.

The teacher problem in New Hampshire, as well as elsewhere, remains acute. We still have it with us. The supply of trained teachers is far below the demand and it

is likely to remain so for several years. As usual, our teaching force shows several changes from last year. Miss Ella Gordon succeeded Mrs. Stevens as principal at the Gale school. Miss Gordon came to us with several years' successful experience in Maine and Connecticut. While not a Normal graduate, Miss Gordon is an instructor of exceptional ability and is a very excellent disciplinarian. Miss Harriett Taylor, a graduate of Plymouth last June, is proving a success in grades three and four as successor to Miss Whipple. We have not had a superior corps of teachers, nor have general conditions been better, in the Gale school at any previous time since I have been with you than I find them today. Mrs. Clarice Rickert was transferred from the Ladd school to the Union school. Miss Dorothy Dutton succeeded Mrs. Osborne at the Plummer school. Miss Dutton has had two years' previous experience in Canada. Miss Dutton's refined manner and fine spirit in the schoolroom, the courage and perseverance which she has manifested, are all worthy of much praise. Mrs. Bechard, who was at the Union school during the spring term, succeeded Miss Cushing at the Lower Province Road school. Miss Wyatt was succeeded at the Upper Province Road school by Mrs. Lillian Knowles, whom we all know. It is seldom that one finds a school in which there are so many things to commend as here. I should be remiss if I failed to congratulate Mrs. Knowles and the children.

The following table showing teachers and salaries may be of convenience:

Gale I and II.....	Lulu Sawyer	\$900
III and IV.....	Harriett Taylor	850
V and VI.....	Helen Gerrish	850
VII and VIII.....	Ella Gordon	1,000
Union	Clarice Rickert	720
Plummer	Dorothy Dutton	700
Upper Province Road.....	Lillian Knowles	792
Lower Province Road.....	Mabel S. Bechard.....	792

Twenty-two pupils were granted certificates of graduation at the closing exercises in June. No less than six-

teen of these entered High school somewhere in September. I regret that for one reason or another two of these have since dropped out. I believe the names of those pupils receiving certificates should be recorded. They were as follows:

Gale—Barbara Bryant, Vina Bryant, S. Elizabeth Dearborn, Lora French, Brien Guilbault, Robert Hislop, Arthur Laflam, Ruth Muzzey, Florida Perron, Edith Reynolds, Bernice Tate.

Lower Province Road—Olive Pucci.

Plummer—Flora Lareau, Yvonne Levasseur, Leo Poire.

Ladd Hill—Ervin Blackey, Robert Rickert.

Union—Evon Dutile, Henry MacMichael, Pauline MacMichael, Eva Merrill.

I am able to report that several of these children are doing exceptionally good work in the High school.

At the opening of schools in September there were forty children from Belmont enrolled in High schools. The number has since been reduced to thirty-six because of removals from the district and removals from school. They are registered as follows: New Hampton, one; Laconia, twelve; Tilton Seminary, twenty-three. The High school tuition bill this year will be approximately \$2,300.

There has been expended for repairs and alteration of school buildings this year about \$800. The Lower Province Road building has been somewhat remodeled, a new chimney built, and other necessary repairs made. Four of our rural school buildings have been made to correspond in general with the recommendations of the State Board of Education.

The only building that has received no attention is the Plummer. I would recommend that in making the appropriation for repairs at the school meeting the needs of this

building be kept in mind. A new floor has been laid at Upper Province Road. At the Gale school the work of repainting the interior of the building has been completed. The basement has been wired for electric lights. No more necessary work has been done. It is now possible to light the stairs leading to the basement and the boys' urinal. The condition here has always seemed to me a menace.

The fact that the town financial year and the school district financial year do not correspond is somewhat confusing. Instead of the school year ending January 31, as does the town, it does not end until June 30. The district should have money enough on hand to run the schools until the close in June. On February 1 there was an available balance for the remainder of the year of \$5,414.51. It is probable that the expenses for the remainder of the year will be \$6,000.

This district has received from the State this year as its share of the equalization fund the sum of \$4,176.87. It is possible, if not probable, that a less sum will be received next year.

I would recommend the rearrangement of the school calendar. In many school districts much school time is lost during the school year by reason of institutes, conventions of teachers, bad weather, and holidays. Whereas the nominal school year is thirty-six weeks in length, the actual school year is considerably less. While it is our custom to keep school on some of the holidays on which, in my judgment, children may well be in school, nevertheless, the reaction from school on such holidays is sometimes unpleasant. I would suggest that the calendar be so arranged that we shall have a week's recess or vacation at Thanksgiving, another week at Christmas, another during the week of February 22nd, and another during the week in which Fast Day falls. I would further suggest that an additional week be added to the nominal school year.

To the many who have helped to make my work a pleasure and to give to it such measure of success as it may have attained I would express my appreciation.

Respectfully,

CHANNING T. SANBORN,
Superintendent of Schools.
